Grading:	EXAM I*	50%
	EXAM II*	<u>50%</u>
	Total	100%

* Best exam + 10% and worst exam -10%.

Note: There is no possibility of earning extra credit.

1. Missed exams must be allowed for before the exam date. If you miss an exam without prior approval you forfeit the appropriate percentage of your grade unless you have a documented excuse. **Exams can and will cover points specifically covered or emphasized in class.**
2. Meetings Structure - Every meeting, other than tests, will be primarily lecture and problem solving. Student participation is greatly encouraged, although not explicitly rewarded. Every homework problem should be attempted. Problems will be gone over to the extent time permits. In some cases an answer sheet will be distributed.
3. Attendance - Perfect class attendance is a necessity. Our course schedule does not permit time for redoing a topic once discussed. Office hours are not meant for repeating lectures to non-attendees!
4. Homework - Homework problems will be gone over on the dates indicated. Solutions will be placed on reserve. You cannot pass this course without making a serious attempt at the problems before class. Every week in here is equal to three weeks in a regular semester.

5. Americans with Disabilities Act - The Department of Accounting, in cooperation with the Office of Disability Accommodation, complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities.

If you have an established disability as defined in the Americans with Disabilities Act and would like to request accommodation, please present your written accommodation request by the end of the second week of classes. My office hours and office number are shown on this syllabus.

6. Academic Dishonesty - The UNT code of Student Conduct and Discipline provide penalties for misconduct by students, including academic dishonesty.

Academic dishonesty includes cheating and plagiarism.

The term "cheating" includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university.

The term "plagiarism" includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. (Source: Code of Conduct and Discipline at the University of North Texas.)

Penalties: If you engage in academic dishonesty related to this class, you will receive a failing grade on the test or assignment, and a failing grade in the course. In addition, the case will be referred to the Dean of Students for appropriate disciplinary action.
