CLASS: T, R 6:00-9:50 BLB 005

Textbook: Cost Accounting – Horngren, Datar, and Rajan 14th Edition
(You can also use the 13th Edition if you have that one. I will make copies of the homework questions listed on this syllabus for any students not having the 14th edition of Horngren.

Grading:	EXAM I	45%
	EXAM II	45%
	Computer Output	10%
		100%*

Note: There is no possibility of earning extra credit besides what is listed on the syllabus. If this is your graduating semester then YOU must make sure that YOU earn the grade YOU need.

1. Missed exams must be allowed for before the exam date. If you miss an exam without prior approval you forfeit the appropriate percentage of your grade unless you have a documented excuse. **Exams can and will cover points specifically covered or emphasized in class.**
2. Meetings Structure - Every meeting, other than tests, will be primarily lecture and problem solving. Student participation is greatly encouraged, although not explicitly rewarded. Every homework problem should be attempted. Problems will be gone over to the extent time permits. In some cases a mimeographed answer sheet will be distributed.
3. Attendance - Perfect class attendance is a necessity. Our course schedule does not permit time for redoing a topic once discussed. Office hours are not meant for repeating lectures to non-attendees!
4. Homework - Homework problems will be gone over on the dates indicated. You cannot pass this course without making a serious attempt at the problems before class.
5. Statement on Cooperation for Disabled Students - The Accounting Department, in cooperation with the Office of Disability Accommodation, complies with the Americans with Disabilities Act in making reasonable accommodations for qualified students with disabilities. Please present your written accommodation request to your instructor by the end of the second week of classes.

6. The Student Evaluation of Teaching Effectiveness (SETE) is a requirement for all organized classes at UNT. This short survey will be made available to you at the end of the semester, providing you a chance to comment on how this class is taught. I am very interested in the feedback I get from students, as I work to continually improve my teaching. I consider the SETE to be an important part of your participation in this class. Administration of the SETE, will remain open through the week of finals.
7. Academic Dishonesty - If you engage in academic dishonesty related to this class, you will receive penalties as described below..

Academic dishonesty includes cheating and plagiarism.

The term "cheating" includes, but is not limited to, (1) use of any unauthorized assistance in taking quizzes, tests or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition, without permission, of tests or other academic material belonging to a faculty member or staff of the university.

The term "plagiarism" includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgment. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. (Source: Code of Conduct and Discipline at the University of North Texas.)

Penalties: If you engage in academic dishonesty related to this class, you will receive a failing grade on the test or assignment, and a failing grade in the course. In addition, the case will be referred to the Dean of Students for appropriate disciplinary action. A new academic integrity policy will in effect before the first day of class. A link to the policy is:

8. Drop and retake policy:

1. June 12- July 1 - Student may drop a course with written consent of instructor.
2. June 18 - Last day to drop a course or withdraw from the university with a grade of W for courses a student is not passing. After this date a grade of WF may be recorded.
3. July 1 - Last day to withdraw from the semester. Process must be completed by 5 p.m. in the Dean of Students Office.
4. Per accounting department policy any student dropping (or withdrawing from the University) after the automatic W date will receive a WF unless they are earning a grade of D or better in the class
5. Accounting department policy allows only one (1) retake of any course where the student has earned a prior grade, including a WF (but not a W).
