

UNIVERSITY OF NORTH TEXAS G. BRINT RYAN COLLEGE OF BUSINESS

MBA IN MANAGEMENT CONSULTING COHORT

The M.B.A. in Management Consulting is an intensive 11-month, full-time, cohort-style degree program. Students will attend classes during the day on campus starting in June and ending the following spring. The cohort students receive extensive industry experience working on micro-consulting projects in the DFW and Austin areas. The ideal candidate will be academically successful, able to work in teams against tight deadlines, and professionally curious and motivated.

APPLICANTS FROM ALL MAJORS ARE DESIRED.

“ Being able to interact with executives on the industry visits afforded to us by the cohort program allowed me to both network and see how both large and small companies solve problems.
- Noah Smith, MBA '23,
Semiconductor Process Engineer -Texas Instruments

From working on a semester-long project for PepsiCo to (now working) in their internal marketing agency, it's been a complete circle for me. The skills and hands-on experience this program equipped me with have been invaluable.”

- Sarah White, MBA '22
Multicultural Marketing Specialist at PepsiCo
