

# G. Brint Ryan College of Business Ph.D. Program

**CHALLENGE YOURSELF**  
with a doctoral degree from the University of North Texas.

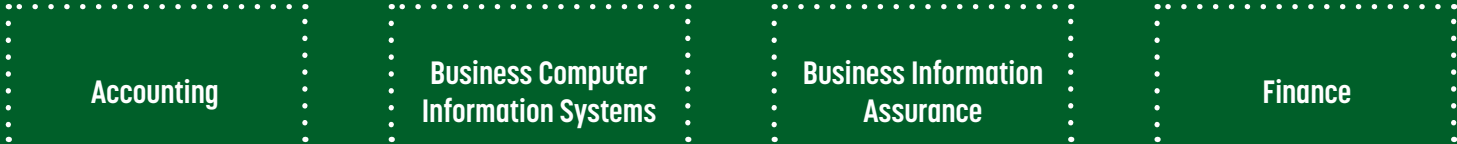

**UNT** | G. BRINT RYAN  
COLLEGE OF BUSINESS  
Doctoral Program

# ABOUT THE PH.D. PROGRAM

The doctoral program in Business is designed to prepare individuals of outstanding ability for careers in teaching and research at the university level. The program has enough flexibility, however, to accommodate individuals whose career objectives lie outside academia. Individuals who undertake doctoral study are expected to achieve excellence in command of a business discipline’s technical aspects and develop expertise in meaningful research.

## CONCENTRATIONS OFFERED

### READY TO APPLY?

Admission to the University through the Graduate Admission Office requires submitting an application, transcripts, official GMAT/GRE scores, an application fee, and additional application material uploaded to GradCAS (Centralized Application System).

### ADDITIONAL APPLICATION MATERIALS

- Three letters of recommendation from college professors or professional colleagues who are familiar with your academic record – Provide recommender information in GradCAS.
- A short “Statement of Purpose” setting forth your reasons for pursuing doctoral study, personal objectives, and career plans.
- A current vita (resume).

### RESEARCH TOPICS:

- Provide one topic/idea that you would like to research (under 50 words).
- State why you find this topic interesting (under 150 words).
- Provide some general thoughts on how you would go about conducting research on this topic (under 200 words).

### ADMISSION REQUIREMENTS

To be admitted to the Graduate Admission Office, a minimum GPA requirement is 3.0 for a bachelor’s degree and 3.5 for a Master’s degree.

Please apply with the UNT GradCAS online. The application fee is \$75 and non-refundable.

### TRANSCRIPTS

Official transcripts are required from every college or university you have attended and must arrive by the application deadline.
