ACE is a fun, interactive aviation summer camp geared toward students who are interested in aviation and aerospace. The goal is to give students awareness of aviation history, different career opportunities within aviation, preparation and planning a flight, the physics of flight, as well as the design and maintenance of aircraft. It’s an adventure where students use flight simulators, go on field trips to observe various aspects of aviation careers at local aviation industries & airports. Students will have many great opportunities, including a chance to fly in an airplane with the US Aviation Academy.
