

UNT College of Business

MBA Health Services Management (Online Program) (2019-2020)

The MBA with a concentration in Health Services Management is a cooperative program offered by the UNT College of Business and the UNT Health Science Center School of Public Health located in Fort Worth. This program prepares students to facilitate the practice of health care and align the business of health care with its healing purpose. The program provides students with solid business management skills and industry specific knowledge needed to effectively lead today's health care organizations. The broad spectrum of health care services in the Dallas-Fort Worth region affords students employment opportunities from a wide array of settings including hospitals, ambulatory care centers, managed care organizations, surgical care centers, medical group practices, pharmaceutical firms and consulting firms.
