## *MBA HEALTH SERVICES MANAGEMENT (2021-2022)*

The MBA with a concentration in Health Services Management that prepares students to facilitate the practice of health care and align the business of health care with its healing purpose. The program provides students with solid business management skills and industry specific knowledge needed to effectively lead today's health care organizations. The broad spectrum of health care services in the Dallas-Fort Worth region affords students employment opportunities from a wide array of settings including hospitals, ambulatory care centers, managed care organizations, surgical care centers, medical group practices, pharmaceutical firms and consulting firms.

Career opportunities after you complete the MBA program through the Department of Management are abundant. Individuals with established career paths will have the opportunity to gain the broader, more general perspective necessary for promotion to top managerial positions. As a professional such as a training and development specialist, equal employment opportunity compliance officer, and compensations and benefits manager you will find your career specialization reinforced with this degree.
