UNT College of Business

MBA in Business Studies (FLEX)

The MBA degree with a concentration in Business Studies provides you with a breadth of knowledge in various business disciplines. You have the flexibility to custom-design your degree plan to meet your career paths and goals. This understanding will help you lead an organization that increases its value to employees and shareholders. Graduates from the program have a well-rounded business education, are equipped with the management tools needed to compete in a global market and have an increased understanding of the importance of time management and efficiency. The curriculum emphasizes skills and values essential to successful leadership: ethics, communication, team-work, global perspectives, use of technology, problem recognition and problem solving.
