The MBA with a concentration in Strategic Management provides you the broad exposure and skills necessary for managing an organization. Strategic Management involves establishing the major direction, strategies and broad policies that an organization will follow to accomplish its objectives. This knowledge is important for sustainable growth of businesses and the U.S. economy. Career opportunities after you complete the MBA program through the Department of Management are abundant. An MBA with a concentration in strategic management supports growth and development from two perspectives. One, if you have an established career path, the strategic management concentration provides you with the opportunity to gain the broader, more general perspective necessary for promotion to leading managerial positions. Two, if you are preparing for the business world, the combination of an undergraduate degree with an MBA concentration in strategic management provides an excellent foundation for additional career opportunities.

Career opportunities after you complete the MBA program through the Department of Management are abundant. Individuals with established career paths will have the opportunity to gain the broader, more general perspective necessary for promotion to top managerial positions. As a professional such as a training and development specialist, equal employment opportunity compliance officer, and compensations and benefits manager you will find your career specialization reinforced with this degree.
