## MS ACCOUNTING AUDIT & ASSURANCE (2021-2022)

The Master of Science in Accounting - Audit is a full-time cohort style program that is designed to provide an appropriate base of knowledge for entry into the accounting profession. Students earning this degree will have completed an educational program consistent with recommendations from professional accountants and accounting educators, and will be prepared for entry into careers as professional accountants, either as public or management accountants or as internal auditors within the public sector.

### CAREER POSSIBILITIES

Bank Examiner | Budget Accountant | Budgetary Control Analyst | Controller | Cost Accountant | External Auditor | Internal Auditor | Inventory Control Specialist | Public Accountant | Underwriter

### ADMISSION REQUIREMENTS

Students applying to the MS in Audit & Assurance must have successfully completed all accounting backgrounds courses before applying to the program. A student must have a minimum accounting GPA of 3.0 in order to be considered for the MS in Audit & Assurance.
