COURSES REQUIREMENTS

BACKGROUND COURSES/CONTENT

The Ryan College of Business Graduate Programs Office works with students to determine if background deficiency courses will be necessary. Students applying to the MS Accounting in Audit & Assurance must have completed the following background courses prior to applying:

- Micro Economics
- Macro Economics
- Financial Accounting
- Managerial Accounting
- Business Information Systems
- Statistics
- Business Law
- Finance
- Marketing
- Calculus
- Intermediate Accounting I
- Intermediate Accounting II
- Cost Accounting
- Accounting Systems
- Advanced & Not-for-Profit Accounting Principles
- Federal Income Tax
- Federal Income Tax II
- Auditing

When applying to the MS in Accounting - Audit is a full-time cohort style program that is designed to provide an appropriate base of knowledge for entry into the accounting profession. Students earning this degree will have completed an educational program consistent with recommendations from professional accountants and accounting educators, and will be prepared for entry into careers as professional accountants, either as public or management accountants or as internal auditors within the public sector.

CAREER POSSIBILITIES

Bank Examiner | Budget Accountant | Budgetary Control Analyst | Controller | Cost Accountant | External Auditor | Internal Auditor | Inventory Control Specialist | Public Accountant | Underwriter
