BUSI 4940* (3 hrs)	Business Policy

* Requirements for enrollment in BUSI 4940: completion of all other business foundation courses along with the required Professional Development courses w/C or higher, SR status, and graduating semester. BCIS 3620Mainframe ConceptsBCIS 3690Advanced MainframeBCIS 4660Introduction to Data WarehousingBCIS 4670Cont. Seminar in Computer-Based Info. Sys.BCIS 4730International Issues of Info TechnologyBCIS 4740Administration & Policy in Information SecurityBCIS 4750Blockchain for BusinessBCIS 4760Introduction to Business Aspects of Digital ForensicsBCIS 4770Operating Systems Security Principles for BusinessDSCI 4520Introduction to Data Mining^BCIS 4690:Must be taken in graduating semester after all business foundation courses have been completed with a grade of

"C" or higher. ^^BCIS 3630: Must earn a "B" or better in order to progress. ^^Internship (BCIS 4800): This can be used as a BCIS elective IF taken for a grade. Departmental approval is required.

The Bachelor of Science (BS) with a major in **Business Computer Information Systems** provides an appropriate base of knowledge for entry into the information systems profession. This **STEM-designated degree program** is intended for those students who desire a strong, specialized degree that develops a solid technical understanding of information systems and their application and use in organizations. This degree qualifies an F-1 student for a STEM OPT extension.

A grade of "C" or higher is required in all Pre-Business, Professional Development, Business Foundation, Professional Field, and Supporting Field courses (except where mentioned otherwise).

A 2.7 cumulative UNT GPA, a grade of "B" or higher in BCIS 3630 and a grade of "C" or higher in each previously taken BCIS course is required to enroll in all upper level BCIS courses.

A 2.0 UNT, 2.0 Overall, and 2.7 Professional/Supporting Field GPA is required for graduation

*Business Foundation courses must be completed with a grade of C or higher prior to enrolling in BUSI 4940.

** Courses that will fulfill university core and pre-business requirements. Courses used to fulfill both University and College requirements will increase number of required free electives to reach the 120 hours minimum for graduation. Consult with your advisor for questions on number of free electives needed.

- This schedule is only a suggestion; make sure you understand the necessary prerequisites for each course and consult the Undergraduate Programs Office. Course availability subject to change; actual degree audits may change depending on course availability in a given semester.
- Before enrolling in MATH 1190, the correct math placement is required or you must pass the prerequisite math with a grade of C or higher.
- **Bolded courses** are pre-business prerequisites to all JR/SR level business courses and require a grade of C or higher. Additionally, completion of all pre-business prerequisite courses with a minimum 2.7 pre-business GPA and a minimum 2.0 UNT cumulative GPA along with completion of 45 hours are required prior to enrolling in any JR/SR level business course and/or filing for an official degree plan.
- The underlined and italicized course BCIS 3630 will require a grade of "B" or higher in order to progress to additional upper level BCIS courses.
- A total of 120 credit hours are required for this degree. GPA requirements for graduation: 2.0 UNT cumulative, Professional Field varies by major (see advisor), and 2.0 Overall.

5/4/22 LT & 6/24/22 PMM
