Thus, international core courses completed for the certificate need not necessarily increase the total hours required for graduation.

- Completing formal foreign-language study through the level of **LANG 1020** or its equivalent.
- Submitting evidence of foreign-language proficiency through the level of **LANG 1020**. For example, students may document proficiency with results from a foreign-language course above the level of **LANG 1020** or with the College Level Examination Program (CLEP) subject examinations.
