INTERNATIONAL BUSINESS* (18 hours)

Part I. International Core
Select four courses from:

- MGMT 4660 (3 hrs) International Management Perspectives
- FINA 4500 (3 hrs) International Finance
- MKTG 4280 (3 hrs) Global Marketing Issues and Practice
- ECON 4850 (3 hrs) International Trade

A course taken through a RCOB sponsored study-abroad program may substitute for up to 3 hours of the above International Core. It may be possible to satisfy the International core within the course requirements of a concentration by using the international core courses as electives (subject to approval by the academic advisor). Thus, international core courses completed for the certificate need not necessarily increase the total hours required for graduation.

Part II. Foreign Language Requirement
Students must present evidence of minimum proficiency in a foreign language. This requirement may be satisfied in either of two ways:

- Completing formal foreign-language study through the level of LANG 1020 or its equivalent.

- Submitting evidence of foreign-language proficiency through the level of LANG 1020. For example, students may document proficiency with results from a foreign-language course above the level of LANG 1020 or with the College Level Examination Program (CLEP) subject examinations. These examinations are administered by the College Board.
